Thank You!

Dear Readers,

A great deal of work goes into each issue – more work than most people can imagine. ALL of the work completed for *The Journal of Social Work Values and Ethics* is accomplished by volunteers. I want to give my special thanks to the following volunteers that have made this issue a success:

Kathleen Hoffman  
Mara D. Hunt  
Belinda O. James  
Roger Ladd  
Cook Mack  
Bob McKinney

Everyone thanks you for your hard work.

THANK YOU!
