

Manuscript Certification

This form must accompany every manuscript submitted

I hereby certify that every citation used within the body of this manuscript is listed within the **Reference** section and that every citation included in the **Reference** section is cited within the body of the manuscript.

I hereby certify that I have tested the accuracy of every hot link (i.e., all DOIs, URLs etc.) within the reference page and in the body of the manuscript and that all are in working order.

I understand that if the staff at IJSWVE uncovers errors in my references (manuscript and reference page) *or* with any of the hot links, my manuscript can be withdrawn from publication.
